

# JAMES ESINZE ISABIRYE

## Career Statement

My aim is to secure a progressive career in Law and Finance and gain invaluable experience with the best in the field. I'm determined to create a positive attitude demonstrating sound financial skills and technical know-how as I learn and work diligently to develop and grow in the ever-expanding field of Law and Finance. I will fully maximize my potential by practically providing concrete, thoughtful, timely response and deal with issues & challenges in a strong effective decisive manner and creativity while achieving the firm's goals and objectives.
